**LIMITED OBJECTION OF LIBERTAS FUNDING, LLC
TO DEBTOR'S CONTINUED USE OF CASH COLLATERAL**

TO THE HONORABLE H. CHRISTOPHER MOTT, U.S. BANKRUTPCY JUDGE:

Libertas Funding, LLC (“Libertas”), by and through its undersigned counsel, hereby submits its Limited Objection of Libertas Funding, LLC to Debtor’s Continued Use of Cash Collateral (“Objection”) and, in support hereof, states as follows:

1. This court has jurisdiction over this Motion pursuant to 28 U.S.C. §§1334 and 157. This matter is a core proceeding.

2. On February 13, 2017 (“Petition Date”), Southwest Cutters, LLC (“Debtor”), filed a Voluntary Petition for relief under Chapter 11 of Title 11 of the United States Code (the “Code”) in the United States Bankruptcy Court for the Western District of Texas, El Paso Division (the “Court”).

3. The Debtor remains in possession of its property and in control of its affairs pursuant to Code §§ 1107 and 1108.

4. Libertas is an entity duly organized and existing under the laws of the state of New York with a place of business located at 382 Greenwich Avenue, Suite 2, 2nd Floor, Greenwich, CT 06830.

5. On January 27, 2017, Libertas purchased from the Debtor 20% of the Debtor's future receivables and paid the Debtor a purchase price of \$120,000 pursuant to the terms of a Merchant Agreement. A true and correct copy of the Merchant Agreement is attached hereto as Exhibit "A".

6. Pursuant to the terms of the Merchant Agreement, Libertas was to receive payment for the receivables purchased by Libertas in the amount of \$935.71 per weekday until the total amount of \$157,200 in receivables collected by the Debtor had been paid by the Debtor to Libertas.

7. While the Debtor represented to Libertas that it had no intention of, and had not contemplated, seeking bankruptcy protection and had not engaged counsel regarding bankruptcy, the Debtor, nevertheless filed its voluntary petition approximately two weeks after entering into the Merchant Agreement and receiving the purchase price from Libertas.

8. As of the Petition Date, Debtor has ceased transferring to Libertas the proceeds of Libertas' property – the purchased receivables. Given the timing of the petition in this case, it appears clear that the Debtor never intended to provide Libertas with the property Libertas purchased from the Debtor.

9. Libertas objects to the relief requested by the Debtor in connection with its request for a final order permitting use of cash collateral to the extent that such relief would permit the Debtor to use proceeds of Libertas property in the operation of its business.

10. Libertas further requests that the Court condition any grant of Debtor's request to use cash on the requirement that the Debtor deposit into a segregated account

for the sole benefit of Libertas any proceeds of Libertas property and further that the Debtor account to Libertas on a monthly basis regarding such collection and segregation until further order of the Court.

WHEREFORE, for the foregoing reasons, Libertas Funding, LLC respectfully requests that this Honorable Court enter the proposed order attached as Exhibit "A" to this Objection and for such other and further relief as the Court deems just and proper.

This Merchant Agreement (this Agreement) dated **1/25/2017** between Libertas Funding, LLC (the Purchaser) and the merchant listed below (together with its successors and/or assigns, the Merchant) (each, a Party and, collectively, the Parties).

ARTICLE I:PURCHASE AND SALE OF FUTURE RECEIVABLES

Section 1.1 . Sale and Purchase. In consideration of the funds remitted by Purchaser to Merchant and specified below (Purchase Price), Merchant hereby sells, assigns and transfers to Purchaser (making Purchaser the absolute owner), the percentage indicated below (the Specified Percentage) of the Merchants future accounts, contract rights and other obligations arising from or relating to the payment of monies from Merchants customers and/or other third-party payers to Merchant (the Future Receivables defined as all payments made by cash, check, electronic transfer or other form of monetary payment to Merchant in the ordinary course of the Merchants business), for the payment of Merchants sale of goods or services until the amount specified below (the Purchased Amount) has been delivered by Merchant to Purchaser.

Section 1.2 Payment of Specified Percentage. The Merchant hereby agrees to deposit all Future Receivables into a bank account approved by the Purchaser (the Account) and the Merchant hereby authorizes Purchaser and its agents to initiate Automated Clearinghouse (ACH) payments equal to the Purchased Percentage of all deposits made into the Account each Weekday (as defined herein) until the Purchaser has received an amount equal to the Purchased Amount. Merchant will provide Purchaser with all required access codes, and allow Purchaser to electronically surveil the Account (e.g., using the anonymous Yodlee link provided by the Purchaser to the Merchant) on a daily basis for the entire period during which this Agreement is in effect. Merchant understands that it is responsible for ensuring that the Specified Percentage to be debited by Purchaser remains in the Account and will be held responsible for any fees incurred by Purchaser resulting from a rejected ACH attempt or an Event of Default (as defined herein). Purchaser is not responsible for any overdrafts or rejected transactions that may result from Purchaser ACH debiting the specified amounts under the terms of this Agreement. Notwithstanding anything to the contrary in this Agreement or any other agreement between Purchaser and Merchant, upon any breach set forth in Section 3.1(b) of this Agreement or the occurrence of an Event of Default under Section 3.1(a) of this Agreement, the Specified Percentage shall equal 100%. A list of all fees applicable under this Agreement is contained in Appendix C.

Purchase Price: \$120,000.00

Specified Percentage:20

Purchased Amount:\$157,200.00

Section 1.3 Authorization; No Misrepresentation. To the extent set forth herein, each of the Parties is obligated upon its execution of the Agreement to all terms of this Agreement. Merchant represents that it has the authority to enter into this Agreement. Each of the below-signed Merchant and owners (the Owners) represents that he or she is authorized to sign this Agreement for Merchant, legally binding Merchant to satisfy its obligations hereunder and that the information provided herein and in all of Purchasers documents, forms and recorded interviews is true, accurate and complete in all respects. If any such information provided by Merchant is false or misleading, Merchant shall be deemed in material breach of all agreements between Merchant and Purchaser, and Purchaser shall be entitled to all remedies available under law. Purchaser may produce a monthly statement reflecting the delivery of the Specified Percentage from Merchant to Purchaser. An investigative or consumer report may be requested in connection with this Agreement. Merchant and each of the below-signed Owners authorize Purchaser, its agents and representatives and any third party engaged by Purchaser, to (i) investigate any references given or any other statements or data obtained from or about Merchant or any of its Owners for the purpose of this Agreement, and (ii) obtain a credit report at any time now or for so long as Merchant and/or Owner(s) continue to have any obligation to deliver receivables to Purchaser as a consequence of this Agreement or for Purchasers ability to determine Merchants eligibility to enter into any future agreement with Purchaser.

ANY MISREPRESENTATION MADE BY MERCHANT OR OWNER IN CONNECTION WITH THIS AGREEMENT MAY CONSTITUTE A SEPARATE CAUSE OF ACTION FOR FRAUD OR INTENTIONAL MISREPRESENTATION.

ARTICLE II:TERMS AND CONDITIONS

Section 2.1 : Use of the Account

(a) Merchant shall execute an agreement acceptable to Purchaser with a bank acceptable to Purchaser to obtain electronic fund transfer services. Merchant shall provide Purchaser and/or its authorized agent with all of the information, authorizations and passwords necessary for verifying Merchants receivables, receipts and deposits into the Account. If the electronic access is temporarily disabled for any reason, Merchant will, as soon as is commercially reasonable, work with the Purchaser to re-establish the link between the Account and the Purchaser. Merchant shall authorize Purchaser and/or its agent to deduct the amounts owed to Purchaser for the Future Receivables as specified herein from settlement amounts which would otherwise be due to Merchant and to pay such amounts to Purchaser by permitting Purchaser to withdraw the Specified Percentage by ACH debiting of the Account. To effectuate the foregoing, Merchant shall execute and deliver to Purchaser an authorization for ACH payments on Purchasers standard form (the ACH Authorization), set forth as Appendix B to this Agreement. The ACH Authorization shall be irrevocable without the express prior written consent of Purchaser.

(b) Merchant shall exclusively use the Account for the deposit of all Future Receivables and shall not close the Account or cease to use the Account as the sole account into which to deposit all Future Receivables prior to the time that Purchaser has received the entire Purchased Amount. The Account may not be closed without the prior written consent of Purchaser.

(c) Merchant shall not (i) breach or default the deposit agreement with the bank maintaining the Account; (ii) change or permit the change of the Bank or add an additional bank to hold deposits of Merchant, in each case, without the express prior written consent of Purchaser; (iii) change the Account name, password or other access information relating to accounts from which ACH payments are to be made without giving Purchaser the notice required under Section 3.4(d) herein; or (iv) divert any cash, checks, electronic payments in any manner or to any person, location or account other than the Account. If the Merchant changes Account access information in violation of Section 2.1(c)(iii) herein, the Merchant can remedy this

by, as commercially reasonable, working directly with the Purchaser to re-establish the electronic link (e.g., re-providing access to the Account to the Purchaser via a Yodlee link, or other similar method, as provided by the Purchaser to the Merchant).(d) Purchaser and Merchant understand that the bank and/or any ACH processor may charge a fee or commission for processing electronic checks, ACH payments and other receipts, and that the banks and/or any ACH processors fees or commission shall not reduce any amounts due to Purchaser hereunder.

(d) Purchaser and Merchant understand that the bank and/or any ACH processor may charge a fee or commission for processing electronic checks, ACH payments and other receipts, and that the banks and/or any ACH processors fees or commission shall not reduce any amounts due to Purchaser hereunder.

Section 2.2 Term of Agreement. This Agreement shall be in full force and effect until the Purchased Amount has been delivered to the Purchaser pursuant to the terms of this Agreement. Because the transaction evidenced by this Agreement is not a loan, there is no repayment term.

Section 2.3 Future Purchases. Nothing in this Agreement shall be construed to (a) obligate Purchaser to or (b) prevent Purchaser from making any future purchases from Merchant.

Section 2.4 Financial Condition. Merchant and Owner(s) authorize Purchaser and its agents to investigate their financial responsibility and history, and will provide to Purchaser any bank or financial statements, tax returns, etc., as Purchaser deems necessary prior to or at any time after execution of this Agreement. Merchant hereby authorizes Purchaser to contact any current or prior bank of Merchant in order to obtain whatever information it may require regarding Merchants transactions with any such bank. Purchaser is authorized to update such information and financial profiles from time to time as it deems appropriate. In addition to the foregoing, Merchant authorizes Purchaser to contact any current or prior bank of Merchant in order to confirm that Merchant is exclusively using the Account approved by Merchant in accordance with this Agreement.

Section 2.5 Account Transactional History and Activity. Merchant hereby authorizes its bank to provide Purchaser from time to time with Merchants banking or processing history to determine compliance with this Agreement. Merchant authorizes Purchaser to electronically access the Merchants Account on a daily basis during the entire period of this Agreement to verify Merchants receivables, receipts and deposits into the Account (e.g., by using an anonymous read-only software that accesses the Account in read-only mode, such as Yodlee). If this electronic access is temporarily disabled for any reason, Merchant will, as soon as is commercially reasonable, work with the Purchaser to re-establish the link between the Account and the Purchaser.

Section 2.6 No Liability. In no event will Purchaser be liable for any claims asserted by Merchant under any legal theory for lost profits, lost revenues, lost business opportunities, exemplary, punitive, special, incidental, indirect or consequential damages, each of which is waived by Merchant and Owner(s).

Section 2.7 Sale of Future Receivables.

(a) Merchant and Purchaser agree that the Purchase Price under this Agreement is in exchange for the Specified Percentage and that such Purchase Price is not intended to be, nor shall it be construed as a loan from Purchaser to Merchant. Merchant agrees that the Purchase Price paid in exchange for the Future Receivables pursuant to this Agreement equals the fair market value of such Future Receivables. Purchaser has purchased and shall own the Specified Percentage described in this Agreement. As the Specified Percentage is derived solely from Merchants sale of products and services and the payment therefore by Merchants customers, Purchasers receipt of the Specified Percentage shall be directly conditioned upon Merchants sale of products and services to Merchants customers.

(b) The Purchaser does not charge any interest, finance charges, points, late fees or similar fees (except as

permitted by applicable law in connection with civil judgments). The Purchaser is purchasing the Future Receivables at a discount and, for the avoidance of doubt, the Merchant and the Purchaser agree that the Purchaser shall be the sole and exclusive owner of the Specified Percentage, and that the Specified Percentage shall not be part of the Merchants estate in a bankruptcy of the Merchant.

(c) Notwithstanding the Parties express intent to the contrary set forth in Section 2.7(a) herein, in the event that the Purchasers purchase of the Specified Percentage is finally determined by a court of competent jurisdiction to constitute a loan from the Purchaser to the Merchant, the Purchaser shall return to the Merchant any interest deemed to have been received by the Purchaser on such loan in excess of the maximum amount of interest permitted by applicable law to be received by the Purchaser.

(d) Merchant agrees and acknowledges that it is not a debtor of Purchaser as of the date of this Agreement.

(e) Merchant agrees that it will treat the Purchase Price and Purchased Amount in a manner consistent with a sale in its accounting records and on its tax returns. Merchant agrees that Purchaser is entitled to audit Merchants accounting records and tax returns, upon reasonable notice, in order to verify that that Merchant is complying with this Section 2.7(e), including during any litigation or arbitration between Purchaser and Merchant and/or Owner(s). Merchant waives any rights of privacy, confidentiality or taxpayer privilege in any such litigation or arbitration in which Merchant asserts that the Purchase Price paid by the Purchaser in exchange for the Purchased Amount of Future Receivables is anything other than a sale of the Purchased Amount.

Section 2.8 Power of Attorney. Merchant irrevocably appoints Purchaser as its agent and attorney-in-fact with full authority to take any action or execute any instrument or document to settle all obligations due to Purchaser from any third party, or any breach by Merchant set forth in Section 3.1(b) or the occurrence of an Event of Default as defined under Section 3.1(a) herein, from Merchant, under this Agreement, including without limitation (i) to obtain and adjust insurance; (ii) to collect monies due or to become due under or in respect of any of the Collateral (as defined in the Guaranty attached as Appendix A to this Agreement (the Guaranty Agreement)); (iii) to receive, endorse and collect any checks, notes, drafts, instruments, documents or chattel paper in connection with clause (i) or clause (ii) above; (iv) to sign Merchants name on any invoice, bill of lading or assignment directing customers or account debtors to make payment directly to Purchaser; and (v) to file any claims or take any action or institute any proceeding which Purchaser may deem necessary for the collection of any of the unpaid Purchased Amount from the Collateral, or otherwise to enforce its rights with respect to payment of the Purchased Amount.

Section 2.9 Working Capital Funding. Merchant shall not enter into any arrangement, agreement or commitment that relates to or involves the Future Receivables, whether in the form of a purchase of, a loan against, collateral against or the sale or purchase of credits against Future Receivables or future check sales with any party other than Purchaser.

Section 2.10 Unencumbered Receipts. Merchant has good, complete and marketable title to all Future Receivables, free and clear of any and all liabilities, liens, claims, charges, restrictions, conditions, options, rights, mortgages, security interests, equities, pledges and encumbrances of any kind or nature whatsoever or any other rights or interests that may be inconsistent with the transactions contemplated with, or adverse to the interests of Purchaser.

Section 2.11 Business Purpose; Compliance with Laws. Merchant is a valid business in good standing under the laws of the jurisdictions in which it is organized and/or operates. Merchant represents that it is entering into this Agreement for business purposes and not as a consumer for personal, family or household purposes. The Merchant is in compliance with all statutes, rules, regulations, orders or restrictions of all applicable governmental authorities. All federal, state, local and foreign tax returns and tax reports, and all taxes due and payable arising therefrom required to be filed by the Merchant have been or will be filed and paid, on a timely basis (including any extensions). All such returns and reports are and will be true, correct and complete. The Merchant has no material liabilities and, to the best of its knowledge, knows of no

material contingent liabilities, except current liabilities incurred in the ordinary course of business. The Future Receivables are currently and in the future will be generated in the ordinary course of the conduct of commerce or business.

Section 2.12 Change of Name. The Merchant will not conduct its businesses under any name other than as disclosed to the bank approved by the Purchaser without providing notice as required under Section 3.4(c) herein.

Section 2.13 Conflicts with Other Contracts. The execution and delivery of the consummation of the transactions contemplated hereunder and compliance with the provisions of this Agreement, does not and will not conflict with or result in any violation default, and does not or will not entitle any person or entity to receipt of notice or to a right of consent, or give rise to a right of termination, cancellation or acceleration of any obligation or to loss of a benefit, or to any increased, additional, accelerated or guaranteed rights or entitlement of any person or entity, or result in the creation of any claim on the properties or assets of the Merchant.

Section 2.14 UCC Financing Statements. Merchant hereby authorizes Purchaser at its sole option to file one or more financing statements under the UCC prior to or at any time after purchasing the Specified Percentage in order to evidence and perfect the security interest granted to the Purchaser herein.

Section 2.15 Chargebacks. In the event any Future Receivables become the subject of a charge back, returned check or other negation of the future sale prior to Purchaser receiving value for the Future Receivables in the form of a cash transfer from the Account to the Purchaser, then the Purchased Amount will be increased by the amount so charged back, returned or negated and shall be paid to Purchaser from subsequent Future Receivables.

ARTICLE III: EVENTS OF DEFAULT, PROTECTIONS AGAINST DEFAULT AND REMEDIES

Section 3.1 Events of Default, Protections against Default.

(a) The occurrence of any of the following events shall constitute an Event of Default hereunder: (i) Merchant shall violate any term or covenant in this Agreement; (ii) any representation or warranty by Merchant in this Agreement shall prove to have been incorrect, false or misleading in any material respect when made; (iii) Merchant shall admit in writing its inability to pay its debts, or shall make a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against Merchant seeking to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of it or its debts; (iv) the sending of notice of termination by Owner; (v) Merchant shall transport, move, interrupt, suspend, dissolve or terminate its business; (vi) Merchant shall transfer or sell all or substantially all of its assets; (vii) Merchant shall make or send notice of any intended bulk sale or transfer by Merchant; (viii) Merchant shall use multiple depository accounts without the prior written consent of Purchaser; (ix) Merchant shall change its Account without the prior written consent of Purchaser; (x) Merchant shall perform any act that reduces the value of any Collateral granted under this Agreement; or (xi) Merchant shall default under any of the terms, covenants and conditions of any other agreement with Purchaser.

(b) The Protections, as defined in Section 3.1(c) herein, may be invoked by Purchaser immediately and without notice to Merchant in the event of any of the following violations by Merchant: (i) Merchant permits any event to occur that could have an adverse effect on the use, acceptance or authorization of checks for the purchase of Merchants services and products; (ii) Merchant changes its arrangements with any third party in any way that is adverse to Purchaser; (iii) Merchant permits any event to occur that could cause diversion of any Future Receivables to any person, location or account other than the Account; (iv) Merchant interrupts the operation of its business (for reasons other than adverse weather, natural disasters or acts of God), transfers, moves, sells, disposes, transfers or otherwise conveys its business or assets without (A) the express prior written consent of Purchaser, and (B) the written agreement of any purchaser or transferee to the assumption of all of Merchants obligations under this Agreement pursuant to documentation satisfactory to

Purchaser; (v) Merchant blocks or otherwise compromises Purchasers access to the Account; or (vi) Merchant takes any action, fails to take any action, or offers any incentiveeconomic or otherwise the result of which will be to induce any customer or customers to pay for Merchants services with any means other than those set forth in this Agreement.

(c) The following protections shall be available to Purchaser in addition to any other remedies available to Purchaser at law, in equity or otherwise pursuant to this Agreement (collectively, the Protections): (i) the full uncollected Purchased Amount plus all fees due under this Agreement and the Guaranty Agreement attached hereto as Exhibit B may become due and payable in full immediately; (ii) Purchaser may enforce the provisions of the Personal Guarantee of Performance (as defined in the Guaranty Agreement) against the Owner; (iii) Merchant may, upon execution of this Agreement, deliver to Purchaser an executed confession of judgment in favor of Purchaser in the amount of the Purchased Amount stated in this Agreement. Upon any breach set forth in Section 3.1(b), Purchaser may enter that confession of judgment as a judgment with any petition brought or pending against Merchant. Merchant further warrants that it does not anticipate filing any bankruptcy petition and it does not anticipate that an involuntary petition will be filed against it. In the event that the Merchant files for bankruptcy protection or is placed under an involuntary filing, the Protections set forth in Section 3.1(c)(ii) and (iii) shall be immediately invoked.

Section 3.2 Remedies. In case any Event of Default occurs and is not waived pursuant to Section 4.4 hereof, Purchaser may proceed to protect and enforce its rights or remedies by suit in equity or by action at law, or both, whether for the specific performance of any covenant, agreement or other provision contained herein, or to enforce the discharge of Merchants obligations hereunder or any other legal or equitable right or remedy. All rights, powers and remedies of Purchaser in connection with this Agreement may be exercised at any time by Purchaser after the occurrence of an Event of Default, are cumulative and not exclusive and shall be in addition to any other rights, powers or remedies provided by law or equity.

Section 3.3 Costs. Merchant shall pay to Purchaser all reasonable costs associated with (a) a breach by Merchant of the covenants in this Agreement and the enforcement thereof, and (b) the enforcement of Purchasers remedies set forth in Section 3.2 above, including but not limited to court costs and attorneys fees.

Section 3.4

(a) **Merchant is required to give Purchaser written notice within twenty-four (24) hours of any filing under Title 11 of the United States Code.**

(b) **Merchant is required to give Purchaser seven (7) days written notice prior to the closing of any sale of all or substantially all of the Merchants assets or stock.**

(c) **Merchant will not change any of its places of business, or change its legal name, entity type or state of formation, unless it has provided the Purchaser with not less than thirty (30) days prior notice thereof and has provided Purchaser with any documents, agreements and information reasonably requested by the Purchaser with respect thereto.**

(d) **Merchant will not interfere with payments by ACH or with the ongoing electronic surveillance of the Account by the Purchaser by changing the Account name, password or other access information relating to the Account from which ACH or electronic check payments are to be made. However, a change to the Account is permissible if (a) Merchant gives the Purchaser at least ten (10) business days prior notice of such change; (b) provides accurate, updated Account information including Account name, password, account number and other access information requested by Purchaser; and (c) re-establishes the Accounts electronic surveillance by the Purchaser as described in Section 2.5 above.**

Section 4.2 Assignment. Purchaser may assign, transfer or sell its rights to receive the Purchased Amount or delegate its duties hereunder, either in whole or in part.

Section 4.3 Notices. All notices, requests, consent, demands and other communications hereunder shall be delivered by certified mail, return receipt requested, to the respective Parties to this Agreement at the following addresses and shall become effective only upon receipt:

Section 4.4 Waiver Remedies. **No failure on the part of Purchaser to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies provided hereunder are cumulative and not exclusive of any remedies provided by law or equity.**

Section 4.5 Binding Effect: Governing Law, Venue, and Jurisdiction. This Agreement shall be binding upon and inure to the benefit of Merchant, Purchaser and their respective successors and assigns, except that Merchant shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of Purchaser which consent may be withheld in Purchaser's sole discretion. Purchaser reserves the rights to assign this Agreement with or without prior written notice to Merchant. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regards to any applicable principals of conflicts of law. Any suit, action or proceeding arising hereunder, or the interpretation, performance or breach hereof, shall, if Purchaser so elects, be instituted in any court sitting in New York, (the Acceptable Forums). Merchant agrees that the Acceptable Forums are convenient to it, and submits to the jurisdiction of the Acceptable Forums and waives any and all objections to jurisdiction or venue. Should such proceeding be initiated in any other forum, Merchant waives any right to oppose any motion or application made by Purchaser to transfer such proceeding to an Acceptable Forum.

Section 4.6 Indemnification. In addition to all rights and remedies available to the Parties hereto at law or in equity, the Merchant shall indemnify the Purchaser, its affiliates and their respective stockholders, officers, directors, employees, agents, successors and assigns, (collectively, the Indemnified Persons), and save and hold each Indemnified Person harmless from and against and pay on behalf of or reimburse each such Indemnified Person, as and when incurred, for any and all loss, liability, demand, claim, action, cause of action, cost, damage, deficiency, tax, penalty, fine or expense, whether or not arising out of any claims by or on behalf of such Indemnified Person or any third party, including interest, penalties, reasonable attorneys fees and expenses and all amounts paid in investigation, defense or settlement of any of the foregoing (including all reasonable attorneys fees and expenses incurred in connection with the enforcement of this Section), that any such Indemnified Person may suffer, sustain, incur or become subject to, as a result of, in connection with, relating or incidental to or by virtue of: (i) any misrepresentation or breach of warranty of

the Merchant under this Agreement or any ancillary documents; or (ii) any nonfulfillment, default or breach of any covenant or agreement of the Merchant in this Agreement or any ancillary documents.

Section 4.7 Survival of Representation. All representations, warranties and covenants herein shall survive the execution and delivery of this Agreement and shall continue in full force until all obligations under this Agreement shall have been satisfied in full and this Agreement shall have terminated.

Section 4.8 Severability. In case any of the provisions in this Agreement is found to be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of any other provision contained herein shall not in any way be affected or impaired.

Section 4.9 Entire Agreement. This Agreement, the Guaranty, and all attachments and exhibits hereto embody the entire agreement between Merchant and Purchaser and supersede all prior agreements and understandings relating to the subject matter hereof. This Agreement may only be modified by written agreement signed by each of the Parties.

Section 4.10 JURY TRIAL WAIVER. THE PARTIES HERETO WAIVE TRIAL BY JURY IN ANY COURT IN ANY SUIT, ACTION OR PROCEEDING ON ANY MATTER ARISING IN CONNECTION WITH OR IN ANY WAY RELATED TO THE TRANSACTIONS OF WHICH THIS AGREEMENT IS A PART OR THE ENFORCEMENT HEREOF. THE PARTIES HERETO ACKNOWLEDGE THAT EACH MAKES THIS WAIVER KNOWINGLY, WILLINGLY AND VOLUNTARILY AND WITHOUT DURESS, AND ONLY AFTER EXTENSIVE CONSIDERATION OF THE RAMIFICATIONS OF THIS WAIVER WITH THEIR ATTORNEYS.

Section 4.11 CLASS ACTION WAIVER. THE PARTIES HERETO WAIVE ANY RIGHT TO ASSERT ANY CLAIMS AGAINST THE OTHER PARTY AS A REPRESENTATIVE OR MEMBER IN ANY CLASS OR REPRESENTATIVE ACTION, EXCEPT WHERE SUCH WAIVER IS PROHIBITED BY LAW AGAINST PUBLIC POLICY. TO THE EXTENT EITHER PARTY IS PERMITTED BY LAW OR COURT OF LAW TO PROCEED WITH A CLASS OR REPRESENTATIVE ACTION AGAINST THE OTHER, THE PARTIES HEREBY AGREE THAT:
(a) THE PREVAILING PARTY SHALL NOT BE ENTITLED TO RECOVER ATTORNEYS FEES OR COSTS ASSOCIATED WITH PURSUING THE CLASS OR REPRESENTATIVE ACTION (NOT WITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT); AND (b) THE PARTY WHO INITIATES OR PARTICIPATES AS A MEMBER OF THE CLASS WILL NOT SUBMIT A CLAIM OR OTHERWISE PARTICIPATE IN ANY RECOVERY SECURED THROUGH THE CLASS OR REPRESENTATIVE ACTION.

Section 4.12 Arbitration Agreement.

(a) Purchaser and Merchant agree that upon the election of either Party, any dispute relating in any way to this Agreement will be resolved by binding arbitration as discussed below, and not through litigation in any court. Purchaser recognizes that the benefits associated with arbitration include a speedy, less-formal, impartial, final and binding dispute-resolution procedure.

(b) This arbitration agreement is entered into pursuant to the Federal Arbitration Act, 9 U.S.C. 116. To the extent that the Federal Arbitration Act is inapplicable, the arbitration law of the state where Purchaser is incorporated shall apply. YOU HAVE A RIGHT TO OPT OUT OF THIS AGREEMENT TO ARBITRATE, AS DISCUSSED BELOW. UNLESS YOU OPT OUT OF ARBITRATION, YOU AND WE ARE WAIVING THE RIGHT TO HAVE OUR DISPUTE HEARD BEFORE A JUDGE OR JURY, OR OTHERWISE TO BE DECIDED BY A COURT OR GOVERNMENT TRIBUNAL. YOU AND WE ALSO WAIVE ANY ABILITY TO ASSERT OR PARTICIPATE ON A CLASS OR REPRESENTATIVE BASIS IN COURT OR IN ARBITRATION. ALL DISPUTES, EXCEPT AS STATED BELOW, MUST BE RESOLVED BY BINDING ARBITRATION WHEN EITHER YOU OR WE REQUEST IT. BY SIGNING THIS AGREEMENT, YOU ACKNOWLEDGE THAT YOU HAVE BEEN GIVEN THE OPPORTUNITY

TO DISCUSS THIS AGREEMENT WITH YOUR PRIVATE LEGAL COUNSEL AND HAVE AVAILED YOURSELF OF THAT OPPORTUNITY TO THE EXTENT YOU WISH TO DO SO.

(c) Claims or disputes between Purchaser and Merchant about this Agreement and any related issues are subject to arbitration. Any claims or disputes arising from or relating to this Agreement, any prior agreement between the Parties, or the advertising, the application for, or the approval or establishment of this Agreement are also included. Claims are subject to arbitration, regardless of what theory they are based on or whether they seek legal or equitable remedies. Arbitration applies to any and all such claims or disputes, whether they arose in the past, may currently exist, or may arise in the future. All such claims or disputes are referred to in this Agreement as Claims. The only exception to arbitration of Claims is that both Parties have the right to pursue a Claim in a small claims court instead of arbitration, if the Claim is in that courts jurisdiction and proceeds on an individual basis.

(d) Either Party may opt out of this agreement to arbitrate upon contacting the other Party within thirty (30) days of signing this Agreement. Otherwise, this agreement to arbitrate will apply without limitation, regardless of whether Purchaser has received the Purchased Amount or whether either Party files for bankruptcy.

(e) As set forth in Section 4.11 above, Claims in arbitration will proceed on an individual basis, on behalf of the named parties only.

(f) Arbitration applies whenever there is a Claim between Purchaser and Merchant. If a third party is also involved in a Claim between the Parties, then the Claim will be decided with respect to the third party in arbitration as well, and it must be named as a party in accordance with the rules of procedure governing the arbitration. No award or relief will be granted by the Arbitrator (as defined herein) except on behalf of, or against, a named party.

(g) The arbitration will be held under the auspices of the American Arbitration Association or JAMS (or any successor of either of them) (Administrator). The Party that did not initiate the claim shall designate the Administrator. Regardless of which organization is designated to be the Administrator, the arbitration shall be held in accordance with the JAMS Comprehensive Arbitration Rules & Procedures (and no other rules), which are currently available at <http://www.jamsadr.com/rules-comprehensive-arbitration>. The Arbitrator shall be either a retired judge, or an attorney who is experienced in employment law and licensed to practice law in the state in which the arbitration is convened (the Arbitrator), selected pursuant to JAMS rules or by mutual agreement of the Parties. The Arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which the claim arose, or federal law, or both, as applicable to the claim(s) asserted. The Arbitrator is without jurisdiction to apply any different substantive law or law of remedies. The Federal Rules of Evidence shall apply. The arbitration shall be final and binding upon the parties, except as provided in this Agreement. The Arbitrator shall have jurisdiction to hear and rule on pre-hearing disputes and is authorized to hold pre-hearing conferences by telephone or in person, as the Arbitrator deems advisable. The Arbitrator shall have the authority to entertain a motion to dismiss and/or a motion for summary judgment by any party and shall apply the standards governing such motions under the Federal Rules of Civil Procedure. Should any party refuse or neglect to appear for, or participate in, the arbitration hearing, the Arbitrator shall have the authority to decide the dispute based upon whatever evidence is presented. Either Party upon its request shall be given leave to file a post-hearing brief. The time for filing such a brief shall be set by the Arbitrator. The Arbitrator shall render an award and written opinion in the form typically rendered in labor arbitrations, normally no later than thirty (30) days from the date the arbitration hearing concludes or the post-hearing briefs (if requested) are received, whichever is later. The opinion shall include the factual and legal basis for the award.

(h) Purchaser is responsible for paying any filing fee and the fees and costs of the Arbitrator; provided, however, that if Merchant is the Party initiating the claim, Merchant will contribute an amount equal to the filing fee to initiate a claim in the court of general jurisdiction in the state in Merchant is incorporated. Each Party shall pay in the first instance its own litigation costs and attorneys fees, if any. Purchaser will pay any

costs that are required to be paid by us under the arbitration Administrators rules of procedure. If Merchant wins the arbitration, Purchaser will reimburse Merchant for any fees paid to the arbitration organization and/or Arbitrator. All other fees will be allocated according to the Administrators rules and applicable law.

- (i) Rules and forms may be obtained from, and Claims may be filed with, JAMS at 620 Eighth Avenue, 34th Floor, New York, NY 10018, or jamsadr.com; or the AAA at 335 Madison Avenue, Floor 10, New York, NY 10017, or www.adr.org. Arbitration hearings will take place in the Eastern District of New York at the time the Claim is filed, unless the Parties agree to a different place.
- (j) This agreement to arbitrate shall survive the termination of any agreement between Merchant and Purchaser.

Section 4.13 Covenant Not to Sue.

(a) Merchant and Owner(s) agree that they will never institute, prosecute or in any way aid in the institution or prosecution of any claim, demand, action or cause of action at law or in equity against the Purchaser for a claim of usury, a claim that the Purchaser is required to have any lending license, or any other claim contending that the Purchase Price paid by the Purchaser in exchange for the Purchased Amount of Future Receivables is, or should be construed as, a loan from the Purchaser to the Merchant. Nothing in this paragraph is intended to prevent Merchant or Owner from complying with any lawfully issued subpoena or court ordered discovery.

(b) This Section 4.13 is a covenant not to sue, and not a release. In the event that the Merchant or any Owner breaches or in any way violates the terms of this Section 4.13, Merchant and Owner(s) jointly and severally agree to indemnify the Purchaser for all damages arising from that breach, including without limitation the payment of all costs and expenses of every kind for the enforcement of Purchasers rights and remedies under this section, including any and all attorneys fees and costs in any trial court or appellate court proceeding, any administrative proceeding, any arbitration or mediation or any negotiations or consultations in connection with breach of this section.

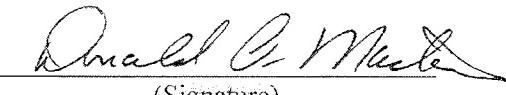

(c) This covenant shall inure to the benefit of Purchaser, and shall bind Merchant, Owner(s) and their respective successors and/or assigns, any of their respective affiliated or subsidiary companies, partners, owners, joint venturers and/or any of Merchants managers, directors, officers, employers or agents.

Section 4.14 Counterparts; Facsimile Acceptance & E-signature Acceptance. This Agreement may be executed in one or more counterparts and by facsimile signature, each of which shall constitute an original and all which shall constitute one instrument, in each case, for all purposes including admission into evidence of the agreement of the Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the date first written above.

Personal Guaranty of Performance. The undersigned Owner(s) hereby guarantees to Purchaser, Merchants performance of all of the representations, warranties, covenants made by Merchant in this Agreement and the Merchant Agreement, as each agreement may be renewed, amended, extended or otherwise modified (the Guaranteed Obligations). Owners obligations are due (i) at the time of any breach by Merchant of any representation, warranty or covenant made by Merchant in this Agreement and the Merchant Agreement, and (ii) at the time Merchant admits its inability to pay its debts, or makes a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against Merchant seeking to adjudicate it bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of it or its debts. For avoidance of doubt, the Guaranteed Obligations do not include any guarantees to Purchaser that Purchaser will receive the Purchased Amount (as that term is defined in the Agreement).

Owner Waivers. In the event that Merchant fails to make a payment or perform any obligation when due under the Merchant Agreement, Purchaser may enforce its rights under this Agreement without first seeking to obtain payment from Merchant, any other guarantor, or any Collateral, Additional Collateral or Cross-Collateral Purchaser may hold pursuant to this Agreement or any other guaranty.

In addition, Purchaser may take any of the following actions without releasing Owner from any of its obligations under this Agreement: (i) renew, extend or otherwise modify the Merchant Agreement or Merchants other obligations to Purchaser; (ii) release Merchant from its obligations to Purchaser; (iii) sell, release, impair, waive or otherwise fail to realize upon any collateral securing the Guaranteed Obligations or any other guarantee of the Guaranteed Obligations; and (iv) foreclose on any collateral securing the Guaranteed Obligations or any other guarantee of the Guaranteed Obligations in a manner that impairs or precludes the right of Owner to obtain reimbursement for payment under this Agreement. Until the Merchant Amount plus any accrued but unpaid interest and Merchants other obligations to Purchaser under the Merchant Agreement and this Agreement are paid in full, Owner shall not seek reimbursement from

Merchant or any other guarantor for any amounts paid by it under this Agreement. Owner permanently waives and shall not seek to exercise any of the following rights that it may have against Merchant, any other guarantor, or any collateral provided by Merchant or any other guarantor, for any amounts paid by it, or acts performed by it, under this Agreement: (i) subrogation; (ii) reimbursement; (iii) performance; (iv) indemnification; or (v) contribution. In the event that Purchaser must return any amount paid by Merchant or any other guarantor of the Guaranteed Obligations because that person has become subject to a proceeding under the United States Bankruptcy Code or any similar law, Owners obligations under this Agreement shall include that amount.

RE: Libertas Funding LLC Optional Variable Purchase Program

1430 GAIL BORDEN PL STE 1-C EL PASO TX 79935

Dear SOUTHWEST CUTTERS, LLC

We refer to the Merchant Agreement entered into by Libertas Funding LLC (we or Purchaser) and SOUTHWEST CUTTERS, LLC (Merchant) dated 1/25/2017 (as amended, supplemented or otherwise modified from time to time, the Merchant Agreement). Capitalized terms used and not defined in this letter have the meanings as used in the Merchant Agreement.

Pursuant to the Merchant Agreement, Purchaser has [agreed to make] [made] a cash advance to Merchant in the amount of the Purchase Price in order to purchase the Specified Percentage of Merchants Future Receivables.

In order to assist Merchant in maintaining a stable and predictable cash flow, Merchant has advised us that it seeks to participate in Purchasers optional Variable Purchase Program pursuant to which, in lieu of Purchaser debiting the Specified Percentage on a daily basis from Merchants bank account via the ACH network, Purchaser or its agents will initiate daily ACH payments from Merchants bank account in a designated amount (the Specified Daily Amount) on each Weekday until Purchaser has received an amount equal to the Purchased Amount.

Purchaser and Merchant acknowledge that the Specified Daily Amount has been designated based on Purchasers review of Merchants business history; accordingly, the Specified Daily Amount represents the projected value of the Specified Percentage each Weekday. Purchaser and Merchant further acknowledge that the Specified Daily Amount is subject to review, and as needed adjustment, on a regular basis throughout the term of the Merchant Agreement in order to ensure that the Specified Daily Amount represents the Specified Percentage based on Merchants current operations.

NOW, THEREFORE, Merchant and Purchaser hereby agree as follows:

- A. Merchant hereby authorizes Purchaser and its agents to initiate ACH payments in the amounts(s) determined in accordance with this letter until Purchaser has received an amount equal to the Purchased Amount and authorizes all applicable third parties to provide to Purchaser and its agents all information necessary to permit such third parties to determine the amount to be paid to Merchant and initiate such ACH payments. Merchant shall effectuate the foregoing through an ACH Authorization, as set forth in the Merchant Agreement
- B. Purchaser shall initiate each Weekday ACH payments from the Account in the amount of the Specified Daily Amount, as determined in accordance with the provisions of this letter.
- C. The Specified Daily Amount shall be 935.71 per Weekday, subject to periodic adjustment as set forth in Paragraphs D and E below.
- D. No less than every two (2) weeks after the funding of the Purchase Price to Merchant (each such time period, a Calculation Period), either Purchaser or Merchant (the Notifying Party) may give written notice to the other Party (the Receiving Party) providing for an adjustment in the Specified Daily Amount based upon the daily average receivables during the preceding Calculation Period. The intent of the foregoing

adjustments shall be for Purchaser to receive the Specified Percentage until Purchaser has received an amount equal to the Purchased Amount.

E. Notices under Paragraph D (each, an Adjustment Notice) may be sent by email and, if sent to Merchant, shall be sent to the email address for Merchant set forth in the Merchant Agreement, and, if sent to Purchaser, shall be sent to submissions@libertasfunding.com or another email address as identified by Purchaser. If Purchaser is the Notifying Party, the revised Specified Daily Amount shall become effective upon delivery of the Adjustment Notice to Merchant. If Merchant is the Notifying Party, then upon Purchasers receipt of the Adjustment Notice from Merchant, Purchaser shall determine the revised Specified Daily Amount and give notice thereof to Merchant. In either event, the Receiving Party may object to the Notifying Partys determination of the revised Specified Daily Amount by giving written notice within two (2) business days after receipt of the Notifying Partys Adjustment Notice setting forth the revised Specified Daily Amount. The Parties shall discuss and attempt to resolve the Receiving Partys objection and the revised Specified Daily Amount as determined by the Notifying Party shall remain in effect until the Receiving Partys objection is resolved. If the Parties cannot agree on a revised Specified Daily Amount within five (5) business days of the Receiving Partys receipt of the Adjustment Notice, the Specified Daily Amount shall fluctuate on a daily basis and shall be equal to the Specified Percentage, as specified in the Merchant Agreement.

F. Merchant shall furnish Purchaser with such other information as Purchaser may request from time to time, including, if applicable, copies of Merchants periodic bank statements or other access to Merchants bank records, all information necessary to permit Purchaser and its agents to determine the amount to be paid to Merchant and all information necessary to initiate such ACH payments.

G. Merchant hereby agrees (1) to deposit all Future Receivables into the Account and (2) to identify for Purchaser all other existing and future bank accounts maintained or used by Merchant.

H. In the event that Purchaser cannot access the Account or in the event that an ACH payment initiated by Purchaser from the Account is not paid in full based upon insufficient funds in the Account or otherwise, then to the extent not prohibited by applicable law and without duplication, Purchaser will be entitled to collect the fees set forth in the Merchant Agreement (or, if less, the maximum amount allowed to be charged under applicable law).

I. Except as modified by this letter, the Merchant Agreement remains in full force and effect. In the event of any conflict or ambiguity between the terms and provisions of this letter and the terms and provisions of the Merchant Agreement, the terms and provisions of this letter shall control. The provisions of this letter may not be revoked without the prior written consent of Purchaser in its sole and absolute discretion. Merchant agrees to execute any documents and/or agreements in order to implement the provisions of this letter. In the event that any term, paragraph, subparagraph, or portion of this letter is declared to be illegal or unenforceable, this letter shall, to the extent possible, be interpreted as if that provision was not a part of this letter; it being the intent of the Parties that any illegal or unenforceable portion of this letter, to the extent possible, be severable from this letter as a whole. This letter may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Executed signature pages transmitted by facsimile or other means of electronic delivery shall be legally valid and binding against the Parties.

Please execute this letter at the appropriate place below to indicate your acceptance and agreement to the terms and conditions of this letter.

By signing below, you, as Merchant, and the Owners listed below, acknowledge and agree to the terms and conditions stated herein.

ACH Authorization Form for Libertas Funding, LLC

Payment Authorization I authorize my bank to debit my account as identified above to the terms stated here. This authorization shall remain in effect until the Service Provider and bank receive written notification from me of intent to terminate at such time and in such manner as to afford the Service Provider and bank reasonable opportunity to act (minimum 30 days). I understand that if the total amount owed to the Service Provider is increased, I authorize this plan to continue as long as the payment amount remains unchanged until the amount owed the Service Provider is paid off, or unless the plan is terminated earlier by me as above. I understand any added amounts can be applied for with a new ACH Debit Authorization Form. All other changes such as payment amount, frequency, bank account number change, will require a new ACH Debit Payment Authorization Form to be filled out and submitted to Merchant 15 days prior to any change being implemented. I understand that this payment plan may be cancelled by the Service Provider or Merchant due to NSF (Non-sufficient Funds). I will be liable to pay an NSF fee of \$25.00 (or the amount allowable by law), which may be automatically debited for each NSF. I represent and warrant that I am authorized to execute this payment authorization for the purpose of implementing this payment plan. I indemnify and hold the Service Provider, the bank, and Merchant harmless from damage, loss or claim resulting from all authorized actions hereunder.
